47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local telecommunications provider: Sonic. They are reasonably priced and provide excellent service. And now we have fiber! So great that this company can compete and survive in today's market. They are also our telephone service. I support broadband competition. Please consider the needs of rural households.
